## **Further Discussion**

### **□ Read Romans 6:15-18 & 1 John 2:15-17**

*Given the way Satan works (Ephesians 2:1-3), how do these passages help us understand where the 'battle lines' are drawn?*

*What particular temptations might Christians face today, in the year 2020?*

### **□ Read Ephesians 6:10-17**

*Who or what is our 'true struggle' against?*

*How does this passage equip us to face that struggle?*

*In light of James 4:7, how would you summarise the overall purpose of the 'armour of God'?*
